Criteria for Entry to Year 7 (11+)

Personal, Social and Academic Expectations

We are looking for enthusiastic, well-motivated children who are keen to learn from the rich academic and non-academic curriculum that we offer at Belmont. Pupils are expected to transfer to Mill Hill School at 13+.

At the point of entry we expect the majority of pupils to be exceeding the expected national average at Key Stage 2. Children are also expected to take an interest in the range of opportunities they are given and to integrate well into our diverse community. We have high standards of politeness and manners and children are expected to show consideration towards others.

To achieve their full potential, we expect children to be able to work on tasks set within class and for prep in a positive frame of mind and to work independently when required to do so.

Siblings and Children of Old Belmontians and Old Millhillians

All children are expected to meet our academic, personal and social criteria. However, priority will be given over children of equal ability, to children with strong links to the Mill Hill Foundation.

A reference is sought from the child's current school. A supportive reference is a very important part of the selection process.

The 11+ Entrance Test Procedure is in two parts:

Part 1 - in Autumn term of Year 6:

Digital Adaptive Tests (80 minutes) which test the following:

- Literacy
- Numeracy - A calculator is not permitted for the test
- Verbal Reasoning
- Non-Verbal Reasoning
- Creative Writing - We also conduct a short 15 minute writing exercise to allow children to demonstrate their original thinking and creative ideas

Successful candidates are notified and invited back to Stage 2

Part 2 - In Spring term of Year 6:

- **Interview** - Shortlisted candidates will be interviewed in small groups by senior teachers and have an interview session of 40 minutes duration. We will explore interests in and outside school, general knowledge and current affairs. We will also be looking at how children communicate and conduct themselves.
- **Teamwork** - There will also be a 15 minute teamwork and problem solving exercise, which will demonstrate how children can work together to solve problems and puzzles.

Entrance to Belmont in other Year Groups

Our main point of entry is 11+ (approximately 60-70 pupils). However, from time to time places may become available at other entry points. In these instances applicants will be tested and interviewed according to their age. The entrance procedure at 7+, 8+, 9+, 10+ and 12+ and consists of a short informal interview and an English/Maths/NVR test. The interview involves finding out about their areas of academic interest as well as their hobbies and pastimes.

Specific Learning Difficulties

If 11+ candidates have an educational psychologist report that states their need for extra time due to a specific learning difficulty, they are on their current school's special needs register and they are in receipt of extra time in their current setting, children will be given additional time in their computer based and creative writing entrance exam. Requests for extra time must be made at the time of registration. For other year groups we will also provide additional time for candidates with a supporting educational psychologist's report. ** Please note that no specimen or past papers are issued.*

We aim to make our assessments appropriate for boys and girls from all educational backgrounds. Provided that their reading is well-founded, there should never be a need for coaching. For our 11+ computer test we will provide a familiarisation website for parents and children.

Scholarships (11+)

Scholarship Provision (11+)

A place on the Belmont Scholars' Programme offers enrichment opportunities within a pupil's chosen subject area and for the two years that a pupil is at Belmont. While the programme does not offer any fee remission, a pupil can expect to be actively involved in the department and be offered a variety of extension activities. At Year 8, Belmontians will be able to apply for the 13+ Mill Hill Scholars' Programme that is available for the five years at Mill Hill.

Academic Scholars' Programme

Academic awards, will be awarded on academic merit shown in the entrance examinations and any subsequent interviews. All pupils registered for Year 7 entry (internal and external candidates) will automatically be considered eligible for a place on the Academic Scholars' Programme. The pupils gaining the top marks (numbers vary from year to year) will be asked back to attend an additional interview.

Creative Scholars' Programme

Creative awards are available at Belmont from Year 7. A place on the Creative Scholar's Programme will cover Art, Design & Technology and /or Music and is available from Year 7. Testing is not based solely on current graded achievement; candidates are auditioned or interviewed individually and ascertaining potential is an important element of the audition process. Applications should be made on the appropriate form which can be downloaded from the website.

Sports Scholars' Programme

A place on the Sports Scholar's Pathway is available at Belmont from Year 7. Awards are not made solely to those with a current sporting ability but also to those with significant athletic potential and high standard of performance in at least one sport. Candidates are assessed individually and as a group involving a variety of measures. A place offered on the Programme gives pupils access to performance sessions with elite Strength & Conditioning coaches and sport performance staff and access to twilight psychology and nutrition sessions.

Bursaries (Years 7, 8)

The award of a bursary by The Mill Hill School Foundation is subject to the financial resources available at the time. Applicants will be asked to demonstrate financial need by completing a Statement of Financial Circumstances and awards can be up to 100% of the fee.

The final decision will be made by The Governors of the Finance and General Purposes Committee, after recommendation by the Bursary Committee, of which the Head is a member.

Consideration of academic standard, general conduct and overall contribution (either current or potential) to the School is reviewed by the Bursary Committee. All the information provided will be treated in the strictest confidence.

All bursaries are subject to annual review. Any award made at Belmont will, provided the applicant continue to meet the criteria, continue through Mill Hill School. Bursaries are considered only when a child is in Years 7 and 8.
